## Standard Operating Guideline

<b>Title</b>	<b>Scene Incident Command</b>
<b>Number</b>	008
<b>Adoption Date</b>	1/1/07
<b>Revision Date</b>	
<b>Approved by</b>	Lewis Jenkins, EMS Director

### Purpose:

To provide a guideline outlining the procedure for filling the role of Incident Command during incidents.

### Policy:

1. If the Supervisor/Duty Officer on duty or Fire Department officer is not available, the second most appropriate person would be the most experienced provider on scene. Rank is not a determining factor for who will be the IC.
2. The EMS Director or designee must be notified of all Mass Casualty, Hazmat, or any other large scale incidents that Madison EMS has responded to in or out of the county.
